The website and its services are freely accessible. The user guarantees the authenticity and timeliness of all the data that he communicates to TRIARAIL and will be solely responsible for any false or inaccurate statements made.

The user expressly agrees to make appropriate use of the contents and services of this website and not to use them for, among others, any legally prohibited activity or an attack against morality or public order.

All the contents of the website, such as texts, photographs, graphics, images, icons, technology, software, as well as its graphic design and source codes, constitute a work whose property belongs to TRIARAIL, without any being understood to be assigned to the user. of the exploitation rights over them beyond what is strictly necessary for the correct use of the web. Users who access this website can view the contents and make, where appropriate, authorized private copies provided that the reproduced elements are not subsequently transferred to third parties, nor are they installed on servers connected to networks, nor are they subject to any type of exploitation.

Likewise, all trademarks, trade names or distinctive signs of any kind that appear on the website are the property of TRIARAIL, without it being understood that the use or access to it gives the user any right over them.

The distribution, modification, transfer or public communication of the contents and any other act that has not been expressly authorized by the owner of the exploitation rights are prohibited.

The content of this website is of a general nature and is for informational purposes only, without fully guaranteeing access to all content, or its completeness, correctness, validity or timeliness, or its suitability or usefulness for a specific purpose.

TRIARAIL excludes, as far as the legal system allows, any liability for damages of any kind arising from:

- a) The inability to access the website or the lack of veracity, accuracy, completeness and / or timeliness of the contents , as well as the existence of vices and defects of all kinds of the contents transmitted, disseminated, stored, made available to those who have been accessed through the website or the services offered;
- b) The presence of viruses or other elements in the contents that may cause alterations in computer systems, electronic documents or user data;
- c) Failure to comply with the laws, good faith, public order, traffic uses and this legal notice as a consequence of the incorrect use of the website. In particular, and as an example, TRIARAIL is not responsible for the actions of third parties that violate intellectual and industrial property rights, business secrets, rights to honor, personal and family privacy and the image itself, as well as the regulations in matters of unfair competition and illegal advertising.

Likewise, TRIARAIL declines any responsibility regarding the information that is outside this website and is not managed directly by our webmaster. The function of the links that appear on this website is exclusively to inform the user about the existence of other sources capable of expanding the content offered by this website. TRIARAIL does not guarantee or is responsible for the operation or accessibility

of the linked sites; nor does it suggest, invite or recommend a visit to them, so it will not be responsible for the result obtained. TRIARAIL is not responsible for the establishment of hyperlinks by third parties.

TRIARAIL is not responsible for the use that each user gives to the materials made available on this website or for the actions carried out based on them.

The data collected through the data collection forms on the website or other means will be incorporated into an automated personal data file for which TRIARAIL is responsible. This entity will treat the data confidentially and exclusively for the purpose of offering the services requested in the development of its activity of legal services and business advice and consultancy and procedures derived from them, with all the legal and security guarantees that they impose. Organic Law 3/2018, of December 5, on the Protection of Personal Data and guarantee of digital rights (hereinafter, LOPD) and Law 34/2002, of July 11, on services of the Information Society and Electronic Commerce and the Royal Decree 1720/2007, of 21 December, approving the Regulations implementing Organic Law 15/1999, of 13 December, on the protection of personal data (hereinafter RGPD).

The person responsible for these data and its circulation is:

INGENIERÍA Y TÉCNICA DEL TRANSPORTE TRIA, S.A.

C.I.F.: A84780667

C/ Romería 6, 28600, Navalcarnero-Madrid (Spain)

(+34) 91 811 49 84

The way and purposes for which TRIARAIL processes your data do not change, but we make all the information available to you in accordance with the requirements of the RGPD. The legitimacy in the use of said data is the unequivocal consent of the interested party, or where appropriate, the contract that may be in force between the parties. TRIARAIL undertakes not to assign, sell, or share the data with third parties without your express approval.

Likewise, TRIARAIL will cancel or rectify the data when it is inaccurate, incomplete or is no longer necessary or relevant for its purpose, in accordance with the provisions of the LOPD and the RGPD. The user may revoke the consent given and exercise the rights of access, rectification, cancellation, opposition, portability and limitation to their treatment by sending an e-mail to the following email address info@triarail.com, duly identifying themselves and indicating in a manner visible the concrete right that is exercised.

TRIARAIL adopts the corresponding security levels required by the aforementioned LOPD, the RGPD and other applicable regulations. However, TRIARAIL does not assume any responsibility for damages derived from alterations that third parties may cause in the user's computer systems, electronic documents or files.

TRIARAIL will notify data security violations that may pose a risk to the rights and freedoms of natural persons within 72 hours, both to the Spanish Data Protection Agency and to those affected, as established in the RGPD.

TRIARAIL may use cookies during the provision of website services. Cookies are physical files of personal information housed in the user's own terminal. The user has the possibility of configuring his browser program in such a way that the creation of cookie files is prevented or warned of it.

If you choose to leave our website through links to websites that do not belong to our entity, TRIARAIL will not be responsible for the privacy policies of said websites or the cookies that they may store on the user's computer.

In the event that any user or third party considers that there are facts or circumstances that reveal the illegal nature of the use of any content and / or the performance of any activity on the web pages included or accessible through the website, they must send a notification to TRIARAIL duly identifying

yourself, specifying the alleged infractions and expressly declaring and under your responsibility that the information provided in the notification is accurate.

The administrative information provided through the website does not replace the legal publicity of the laws, regulations, plans, general provisions and acts that have to be formally published in the official gazettes of public administrations, which constitute the only instrument that attests to its authenticity and content. The information available on this website should be understood as a guide without the purpose of legal validity.

For all litigious issues that concern the TRIARAIL website, Spanish law will apply
